The Radical Challenge

Can you read without words?

Instruction: Force your brain to read the images using the formula:
Self (White) + Action (Blue) + Object (Gold) = Sentence.

Teacher's Guide: How to Teach "The Syntax System"

1. Explain Colors.
Gold = Object.
Blue = Action.

2. The Guessing Game.
Guess the Gold object.

3. Build the Sentence.
Person + Action + Object.

Teacher Tip: Have students say the verb BEFORE revealing text.
